  - (e) If Tenant defaults with respect to any of its obligations under this Lease, other than the payment of rent, and if such default continues for thirty (30) days after notice thereof to Tenant, Landlord shall have the right to make any payments that are necessary to remove the cause of the default. Tenant shall be obligated to fully reimburse Landlord for any such payment together with interest at the rate of eighteen percent (18%) per annum from the date of payment by Landlord to the date of reimbursement by Tenant.
  - (f) In the event of default of Tenant, Landlord shall have the right to a Landlord's lien on the Improvements and personal property of Tenant.
  - (g) The above specifications of rights shall not preclude any other right or remedy which Landlord or Tenant may have by law or equity.
